DESCRIPTION OF MAXIMUM AND OPTIONAL BENEFITS

We ***must*** receive any change in your option election within 30 days after your effective date of retirement. If you are retiring for disability, this form ***must*** be received within 30 days after the date your retirement becomes effective or within 30 days from the date the Retirement Board approves your application, whichever is later. If you do not make an election, you will be retired under the Maximum.

MAXIMUM - Do ***not*** designate a beneficiary if you select this option.

This election will provide you with the largest possible annual benefit. All payments will cease at your death.

LUMP SUM OPTIONS - You may designate ***multiple*** primary and/or contingent beneficiaries under these options.

- * **Please note:** The IRS is considering a change that would prevent STRS and other pension systems from offering retirement options that provide a beneficiary with a lump sum payment. **As a result, these options may not be available at retirement.**

Annuity Reserve - This option is ***only*** available to Tier 1 or Tier 2 members who do not withdraw their Annuity Savings Fund (ASF) at retirement. The Annuity Reserve is the total in your ASF at retirement. If your death occurs ***before*** your Annuity Reserve has been paid, the balance will be paid in a lump sum to your beneficiary. If death occurs ***after*** your Annuity Reserve has been paid, all payments will cease at your death.

Declining Reserve 4% - This option is ***only*** available to Tier 1 members. The Total Reserve is the pension reserve established at the time of your retirement plus the balance in your Annuity Savings Fund, if any. If your death occurs ***before*** the Total Reserve has been paid, the balance will be paid in a lump sum to your beneficiary. If death occurs ***after*** the Total Reserve has been paid, all payments will cease at your death. There is a variation of this option based on a 7% interest rate that would result in a smaller Total Reserve but a larger monthly payment; please contact us if this interests you.

Largest Lump Sum - This option will provide all members with the ***largest possible*** lump sum payment to a beneficiary. Tier 1 members should note that although the payment to a beneficiary under this option will be less than the Total Reserve initially established under the Declining Reserve 4% option, the lump sum payment under this option does not decrease over time. If you desire a lesser lump sum payment to your beneficiary, you should select the Alternative Option and indicate the lump sum payment desired. This option is ***not*** available to Tier 3 members retiring under Article 14.

GUARANTEE OPTIONS - You may designate only ***one*** primary and ***multiple*** contingent beneficiaries under these options.

If you predecease your beneficiary within 5 or 10 years of the date of your retirement, your beneficiary will receive the same monthly payment you were receiving for the remainder of the 5 or 10 year period. If you live beyond the 5 or 10 year guaranteed period, your benefit will cease at your death. If your primary beneficiary begins to receive payments and dies before the 5 or 10 year guaranteed period expires, the commuted value of any installments due will be paid in a lump sum to your contingent beneficiary.

SURVIVOR OPTION AND POP-UP SURVIVOR OPTIONS - You may designate only ***one*** beneficiary under these options.

If your beneficiary survives you, he or she will receive the designated percentage of your reduced benefit throughout his or her lifetime. You may be required to provide proof of date of birth for your beneficiary. Under the Pop-up Survivor Option your benefit will increase to the maximum if your beneficiary predeceases you. Your beneficiary designation may not be changed after the month retirement occurs. The 25% and 75% pop-up options are ***not*** available to Tier 3 members electing to retire under Article 14. If your spouse is your surviving beneficiary under these options, he or she will receive 50% of the COLA to which you would have been entitled had you continued to live.

ALTERNATIVE OPTION

Tier 3 members electing to retire under Article 14 may ***only*** request an Alternative Option that provides a survivor option of 1% to 90% at their death. All other members may request ***any variation*** of a Lump Sum, Guarantee, Survivor, or Pop-up Option that is reasonable and can be computed actuarially.
