WINTER/SPRING 2006 PRERETIREMENT PLANNING SEMINARS

The New York State Teachers' Retirement System (NYSTRS) has announced its series of statewide preretirement planning seminars for winter/spring 2006. The sites and dates are listed on the enclosed schedule, which is also posted on the Retirement Planning page of our Web site at www.nystrs.org.

The daylong (8:30 a.m. – 3 p.m.) seminars feature presentations and discussions on NYSTRS benefits, retirement incentives, Social Security, financial planning, adjusting to retirement, legal considerations, and other retirement-related topics. The purpose of the program is to focus on the questions and concerns that are important to those preparing for retirement.

The seminars are open to active NYSTRS members age 45 and older. Spouses/companions are also invited and encouraged to attend. Instructions for making reservations are included on the seminar schedule. Reservations will be accepted in the order they are received. Since seminar participants are provided with personalized benefit information, they should be prepared to show photo identification at the seminar.

We ask you to share this schedule with your staff **immediately**, so those wishing to attend can call early to register. **Please note the starting dates for making reservations differ by area.**

Thank you for your assistance.
