Issue No. 2020-2
January 2020

Estimated Employer Contribution Rate
Applicable to 2020-21 Payroll

In an effort to assist you with 2020-21 budget preparations, we recommend you use an estimated employer contribution rate (ECR) of 9.53% for 2020-21 payroll.

The funds associated with the estimated ECR of 9.53% will be collected in the fall of 2021. We send this alert well in advance to assist with your planning.

In general, the ECR is adopted each July/August and the contributions associated with that specific rate are collected 13 to 15 months later.

If you have any additional questions, please call John Cardillo, Manager of Public Information, at (518) 447-4743.
