DESCRIPTION OF MAXIMUM AND OPTIONAL BENEFITS

No matter which option you elect, you receive monthly benefits for life. If you have a Domestic Relations Order (DRO) on file, your ability to elect certain options may be limited. General information regarding DROs is available in the Domestic Relations Order publication on our website (NYSTRS.org).

If you do not elect an option, you will be retired under the Maximum. If you are applying with a life-threatening illness, please select either the Declining Reserve 4% (for a Tier 1 member) or the Largest Non-Declining Lump Sum Payment to a Beneficiary option. This is the only option that will protect your beneficiary(ies), should you pass prior to retirement becoming effective. Once approved, if you wish to change your option election, NYSTRS must receive your Election of Retirement Benefit (RET-54.6) within 30 days after the date your retirement becomes effective or 30 days after Medical Board approval, whichever is later. After that 30-day period, your election is irrevocable. Forms will be considered filed on the day they are mailed if they are mailed by registered or certified mail via the U.S. Postal Service, or by an equivalent delivery service that provides mail tracking and is approved for use by the System. Please see the Contact Us > Get in Touch page at NYSTRS.org for a list of delivery services currently approved by the System.

Maximum

This election will provide you with the largest possible annual benefit. The maximum benefit does not provide a payment to a beneficiary. All payments will cease at your death.

Lump Sum Options — You may designate **multiple** primary and/or contingent beneficiaries under these options.

Annuity Reserve — This option is only available to Tier 1 or Tier 2 members who do not withdraw their Annuity Savings Fund (ASF) at retirement. The Annuity Reserve is the total in your ASF at retirement. If your death occurs **before** the Total Reserve has been paid, the balance will be paid in a lump sum to your beneficiary. If death occurs **after** the Annuity Reserve has been paid, all payments will cease at your death.

Declining Reserve 4% — This option is only available to Tier 1 members. The Total Reserve is the pension reserve established at the time of your retirement plus the balance in your Annuity Savings Fund, if any. If your death occurs **before** the Total Reserve has been paid, the balance will be paid in a lump sum to your beneficiary. If death occurs **after** the Total Reserve has been paid, all payments will cease at your death. There is a variation of this option based on a 7% interest rate that would result in a smaller Total Reserve but a larger monthly payment; please contact us if this interests you.

Largest Lump Sum — This option will provide all members with the largest possible lump sum payment to a beneficiary. Tier 1 members should note that although the payment to a beneficiary under this option will be less than the Total Reserve initially established under the Declining Reserve 4% option, the lump sum payment under this option does not decrease over time.

Your estimate provides you with the largest lump sum payment to your beneficiary. The "Cost per \$1000" indicated on your estimate will allow you to calculate your benefit should you desire a fixed lump sum payment of a lesser amount to your beneficiary. If you desire a lesser lump sum payment to your beneficiary, you should select the Alternative Option on the retirement application and indicate the lump sum payment desired. The following example will help you calculate the effect a lesser lump sum payment will have on your retirement benefit.

Example: Your Annual Maximum Benefit is \$60,000; your "Cost per \$1000" is \$25; you want to provide a \$20,000 lump sum payment to your beneficiary.

20 (increments of \$1000 needed) x \$25 ("Cost per \$1000") = \$500 Annual Cost of the Coverage

\$60,000 (Maximum Benefit) minus \$500 (Cost of Coverage) = \$59,500 Optional Member Benefit

Guarantee Options — You must designate **only one** primary beneficiary. **Multiple** contingent beneficiaries are allowed.

If you predecease your beneficiary within 5 or 10 years of the date of your retirement, your beneficiary will receive the same monthly payment you were receiving for the remainder of the 5- or 10-year period. If you live beyond the 5- or 10-year guaranteed period, your benefit will cease at your death. **If your primary beneficiary begins to receive payments and dies before the 5- or 10-year guaranteed period expires, the commuted value of any installments due will be paid in a lump sum to your contingent beneficiary.**

Survivor Option and Pop-up — You must designate **only one** primary beneficiary under these options. Contingent beneficiaries are not allowed.

If your beneficiary survives you, the beneficiary will receive the designated percentage of your reduced benefit throughout the beneficiary's lifetime. You must provide proof of date of birth for your beneficiary. **Under the Pop-up Option your benefit will increase to the Maximum if your beneficiary predeceases you. Your beneficiary designation may not be changed after 30 days after your date of retirement.**

*Per the Internal Revenue Code, the percentage available under a Survivor option or Pop-Up Survivor option may be limited when the beneficiary named is not the member's spouse and the beneficiary is more than 10 years younger than the member.

Alternative Option

All members may request **any variation** of a lump sum, guarantee, survivor or pop-up option that is reasonable and can be computed actuarially. (See asterisked note above this section.)

Beneficiaries of Tier 2-6 members who elected the **In-Service Paragraph 2 Death Benefit** upon joining NYSTRS may be entitled to receive a **lump sum payment** after retirement. The lump sum payment is in addition to any payments made as a result of an Optional Benefit selection. Please refer to the *Active Members' Handbook* and your *Benefit Profile* for additional information.

DISABILITY RETIREMENT INFORMATION

Filing Information

If you apply for disability retirement, you must provide proof the disability existed at the time you ceased teaching in a NYS public school. The Retirement Board may require you to be examined by a physician selected by the System. Refusal to submit to the required examination will result in disapproval or discontinuance of your disability retirement.

Your application must be **received** by the Retirement System for your retirement to become effective. Applications will be considered filed on the day they are mailed if they are mailed by registered or certified mail via the U.S. Postal Service, or by an equivalent delivery service that provides mail tracking and is approved for use by the System. Please see the Contact Us > Get in Touch page at NYSTRS.org for a list of delivery services currently approved by the System. You should retain proof that your application was sent to the System for your records.

We will process your application and the option payment will be made if:

- ◆ You die before the effective date of retirement, **and**
- ◆ You selected either the Declining Reserve 4% (for a Tier 1 member) or the Largest Non-Declining Lump Sum Payment to a Beneficiary, **and**
- ◆ You otherwise qualify for disability retirement, **and**
- ◆ The Retirement Board determines the illness specified in your application is related to the cause of your death.

Contributions

If you are a Tier 1 or 2 member, you may withdraw the balance of your Annuity Savings Fund (ASF), if any, in lieu of receiving a monthly annuity. To withdraw these funds, please check the box on page 1 of this application. We will deduct any outstanding loan balance from your ASF.

Cancellation or Retirement Date Change

If you wish to cancel your application for retirement or change the date your retirement will commence, you should send us a signed letter indicating your desire to cancel your retirement or change your retirement date. This letter must be received by the System **prior to** the date your retirement would have occurred.

Death Benefit for Tier 2 – 6 Members

For those members who are eligible for the Paragraph 2 death benefit coverage, a separate post-retirement benefit may be payable to the designated beneficiary. To be eligible for this benefit, you **must** retire with in-service coverage within a year of leaving payroll and not work in non-NYSTRS reportable employment from your cease work date to your retirement.

Membership Reinstatement

If you held an earlier date of membership in **any** NYS public retirement system, your current membership may be reinstated to the earlier date. **Tier 3 – 6 members reinstating to Tier 1 or 2 must repay any outstanding loan balance before their date of retirement.** If you feel you may benefit from membership reinstatement, you must advise us in writing immediately.

Accelerated Death Benefit

Under certain conditions members may be eligible to forfeit their disability retirement in lieu of a lump sum payment equal to their pre-retirement death benefit. Please advise us immediately if you are interested.

Loan Payments

If it is your intent to repay all or a portion of any outstanding loan prior to retirement, NYSTRS must receive the payment prior to the effective date of retirement. Any payments received after the date **will not** be credited to the outstanding loan balance.

Filing for Protection

Filing "For Protection Only" is intended for those having been diagnosed with a life-threatening medical condition or having a significant surgery, and simply means that, in doing so, you are protecting the benefit for your beneficiary(ies) in the event of your death.

If you are filing for protection, when you fill out the *Application for Disability Retirement* (RET-54.1):

- Write the words "For Protection Only" at the top of the form.
- Indicate the nature of your disability.
- Do NOT request a date of retirement.
- Choose the Largest Non-Declining Lump Sum as your retirement option and designate a beneficiary.
- Complete and return the *Medical Information Summary* (RET-54.1B).

Your "For Protection Only" benefit will be paid only if you pass as a result of the illness listed on your application/Medical Summary.

While your application remains on file "For Protection" the option selection must remain the Largest Non-Declining Lump Sum. If you have filed "For Protection Only" and then at a later date decide to pursue disability retirement, you must notify us in writing you wish to continue with your disability retirement application. Once you are approved by the Retirement Board, you will have 30 days from the effective date of retirement to change your retirement option to the option of your choice.

DISABILITY RETIREMENT INFORMATION *Cont.*

Standard for Determining Disability Retirement

In order to be entitled to a disability retirement, it must be determined that you are totally and permanently disabled at the time you ceased your performance of duties.

- **To be deemed totally disabled**, you must be physically or mentally incapacitated from the performance of gainful employment. Gainful employment shall be physical and/or mental activity which a member is regularly able to engage in as a means of earning a living.
- **To be deemed permanently disabled**, the condition must be such that the end of the disability cannot be foreseen for at least one year.

You and your physicians play a vital role during the processing of your application. Our Medical Board requires evidence of the extent of your disability. You have the burden of providing such evidence. We are enclosing forms that will assist you in meeting this requirement.

- **MEDICAL INFORMATION SUMMARY (RET-54.1B)** - Please complete this form and return it directly to us. **Be sure to sign the authorization.**
- **MEDICAL REPORT (RET-54.3)** - Complete Part 1 of this form(s) and give one to each physician involved in your care as soon as possible. **In addition to the form**, they must provide us with:
 - ◆ a comprehensive record of the history of your illness;
 - ◆ copies of diagnostic test results, including X-ray, MRI and CAT scan reports;
 - ◆ any surgical or pathology reports; and,
 - ◆ a detailed narrative report of the current status of your health.

Please remind your doctors of these requirements. Incomplete information will delay processing your application.

Once we receive your medical records, we will present your file at the monthly meeting of our Medical Board. If the Medical Board recommends approval, we will then present your file to the Retirement Board for consideration. The Medical Board has the authority to recommend that you be examined by a physician selected by the System. Failure to submit to an exam will provide an independent basis to deny or discontinue benefits.

As you can see, there are many phases to the disability retirement process. Even though we will make every effort to expedite the processing of your application, delays may occur, and you should plan your finances accordingly.

Generally, the Retirement System should receive the *W-4P Withholding Election and Certificate* by the twelfth of the month that you want your withholding amount to change.

If your monthly benefit payment is currently being sent via Direct Deposit, the filing of the W-4P will not affect that process, just the amount transmitted into your account.

Any election you make will remain in effect until you change it. You may change your election at any time by using the "Tools" feature in your online MyNYSTRS account at NYSTRS.org or by requesting and filing another *W-4P Withholding Election and Certificate*.

If you do not submit a W-4P form, the System must withhold as if you are married claiming three withholding allowances.

IRS regulations on federal tax withholding for pension payments do not allow NYSTRS to withhold only a fixed dollar amount or a certain percentage. Your options for federal tax withholding on your pension are:

1. **Have no federal income tax withheld from your monthly benefit.** You would then be responsible for paying any taxes you may owe yourself directly to the IRS on a quarterly basis or when you file your tax return.

Please note: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax.

2. **Request that NYSTRS withhold the federal income tax based on your marital status and number of exemptions claimed.** If that does not result in enough tax being withheld, you may also request that an additional dollar amount be withheld on top of what NYSTRS calculates using federal tax tables. The tax tables are available on the Retirees page of our website (NYSTRS.org) under Taxes & Estate Planning.

We suggest you consult with a tax professional to determine which option is best for you.
