## 2002 State Retirement Incentive Credit

The following chart shows how much additional service credit a member would have received under the 2002 State Retirement Incentive. If eligible, the member would have received one-twelfth of a year of additional credit for each year of service earned, up to a maximum of three years. **Note:** *Tier 1 and 2 members eligible for credit under Benefit Enhancement (Article 19), should add that credit to their total BEFORE referencing the following table.*

If your existing service credit is:		Then your credit is:
