# New MyNYSTRS vs. Old MyNYSTRS

## Video Transcript

New: Hi, I'm the New MyNYSTRS.

Old: And I'm the Old MyNYSTRS.

New: We're a lot alike.

Old: Practically the same! Barely any difference.

New: Well, except for a new look.

Old: What's wrong with the old look?

New: With me, you can calculate a pension estimate; apply for a service retirement; see your salary and service history; and schedule appointments with NYSTRS.

Old: Pfff. I can do all that!

New: Plus, I'm mobile optimized, so I look great on phones, tablets, or any other device you use.

Old: So? Look how mobile I am! (*carries in desktop computer, keyboard, monitor, mouse*). Can you grab that extension cord? I'm just gonna need another 50 feet or so.
