Are you ready for your retirement? We are.

NYSTRS is here to prep you for retirement with a NYSTRS PREP seminar.

At our Pension and Retirement Education Program seminars, we discuss NYSTRS benefits. We discuss Social Security. We talk about financial planning. A legal expert discusses estate planning. And we examine the challenges of adjusting to retirement. Best of all, the program is free.

PREP seminars are held throughout the state. To book a reservation at a seminar near you, login to your MyNYSTRS account at NYSTRS.org, or call (800) 348-7298, extension 6100.

Let NYSTRS help PREP you for retirement.
