NYSTRS Announces Summer 2024 Schedule of PREP Seminars

Many retirees tell us they wish they began focusing on financial and retirement planning much earlier in their lives. To help active members avoid that pitfall, NYSTRS offers a proactive approach to prepare for retirement: the Pension & Retirement Education Program (PREP).

NYSTRS is pleased to issue the Summer 2024 schedule of seminars, which is available on the [Retirement Planning/Pension & Retirement Education Program](#) page at nystrs.org and on the ensuing page of this Administrative Bulletin.

The PREP seminar educates members of all ages and career stages on the value of careful financial and retirement planning. The seminar further helps them understand their NYSTRS benefits and how their future pension fits into their overall retirement picture. This information is a key piece of the plan that helps members achieve their retirement goals and dreams.

The half-day seminars, which are free and held throughout the state, cover the following topics: NYSTRS benefits, financial planning, Social Security, estate planning, and the retirement process.

Spots fill up quickly! **Please share this information with NYSTRS members at your district as soon as possible so those who would like to attend a seminar can register now. We kindly request that you forward this Bulletin, and print the schedule found on the ensuing page and post in your district's staff lounges and common areas.** Instructions for making reservations, which are accepted in the order in which they are received, are included on our website and the schedule found on the ensuing page of this Bulletin.

PREP seminars are not intended for individual benefits counseling. Members interested in a benefit consultation should visit the [Retirement Planning/Benefits Consultations](#) page of our website to learn how to schedule a personal consultation.

Thank you for your assistance in spreading the word about these important NYSTRS programs!
